REPORT FOR MULTIFAITH ASSOCIATION OF SA

Meeting was held at the Unitarian Church on Osmond Terrace, Norwood on 17th March

Updating process is continuing on our website and we hope to have the new one operational in the next 2 months

Symposium planning is continuing to proceed well. Unity in Diversity will be held on Sunday September 22nd in the afternoon followed by dinner.

Future use of Multifaith funds; two main priorities: ensuring visibility of Symposium in the community and to grow the Association's membership

We setting up the calendar of activities for the year and meetings for the committee have been set

Our next two meetings will be open to the general membership and committee members will present short talks: My Faith in Action: one concrete example of how I live out my faith in everyday life.

We are looking at forming a group to explore, discuss and put into practice Karen Armstrong's TED talk on the Charter for Compassion and also her book Twelve Steps to a Compassionate Life. We may possibly start in the middle of this year and continue into next year. The Unitarian Church has already been offering sessions which have proved very popular.

We are also continuing to look into Climate Change as a topic.
